What others are saying:

“Had a booking today and we were all beyond impressed by the quality of the pizza, cheese boards and service. Kind staff and great variety of pizzas. We were kindly greeted at the front gate and staff were extremely friendly and knew lots about the wine and food. We also ordered a charcuterie board which is quite cheap for all of the cheese/meats that you get! I definitely recommend for all sized groups!! Will definitely be back again!!
Thank you Artemis.”

What others are saying:

"We genuinely loved this place. Their wines are beautiful; such a standout cool-climate red variety, exactly the kind of wine you can sit with and appreciate. The venue itself is gorgeous. They have a proper lunch menu, serving mouth-watering pizzas, but we had the cheese platter, the ash brie was unreal. They also had live music playing, and the whole atmosphere was relaxed and happy....everyone was just enjoying themselves. Honestly, can't recommend them enough. It's one of those places you leave already planning your next visit."

“We had such a fantastic experience at Artemis Wines in Bowral! The atmosphere is absolutely beautiful, set among rolling vineyards with a relaxed vibe.

The wines are excellent, and there’s a great selection of food options to go with them. Everything is very well maintained, from the lawns to the amenities. The staff were friendly and attentive, making the experience even better.”
